

### Warrior of Asgard ID Card

1. Print the ID card on regular paper or cardstock, fill in the information, then cut out the card.
2. Fold the card along the dashed line so the design is two-sided.
3. Insert a photo of yourself, then secure the card with glue or double-sided tape.
4. Laminate to finish.

The image shows a two-sided ID card template for a 'Warrior of Asgard'. The top half features a background image of Thor in his armor. On the left side of this section, there are three labels: 'Strength Rating:', 'Power:', and 'Heroic Deeds:', each followed by a horizontal line for text entry. At the top of this section, there is a line for a name and a copyright notice 'TM & © MARVEL'. The bottom half of the card has a red header with the text 'Warrior of Asgard' in white. Below the header, it says 'WARRIOR OF ASGARD ID CARD'. There are three labels for text entry: 'Hero Name:', 'Warrior of:', and 'Base:'. To the right of these labels is a graphic of a winged helmet with a silver dome and wings, and the text 'CUT OUT' is written across it. Below the helmet graphic, there is a small rectangular box for a photo. An example '(example: Vanaheim)' is provided next to the 'Base:' label.
