At the dawn of World War II, scrawny Steve Rogers was rejected by the U.S. Army as unfit for service, but Dr. Abraham Erskine saw something in him and selected him for the first human trials for his Super-Soldier Serum. A Nazi sympathizer assassinated Erskine during the procedure, but not before Rogers was improved to the peak of human physical ability. As Captain America, Rogers fought Nazis on the front lines in Europe, alongside his sidekick Bucky Barnes—right up until 1945 when they were presumed killed while stopping a plot by the evil Baron Zemo.

Decades later, the newly formed Avengers found Rogers frozen in a block of ice and revived him. He immediately leaped back into action, defending American ideals and saving the entire planet again and again.

PERSONALITY

Rogers is serious about helping people out, and he's a natural leader, both in and out of combat. He knows that when he's in his costume and carrying his shield he represents everything that is great about the land and people he loves so much.

Real Name: Groot

Distinguishing Features: Plantlike alien

Occupation: Adventurer

HISTORY

Groot hails from Planet X and is an alien member of the *Flora colossi* race, a people who resemble trees and educate their young via photosynthesis. After rebelling against the way his people treated other intelligent species, Groot was banished from his homeworld, and he took to adventuring around the galaxy. There, he met his best friend, Rocket Raccoon, and along with him, joined the Guardians of the Galaxy led by Star-Lord (Peter Quill).

Groot has nearly been killed a number of times, but on each occasion, he managed to regrow himself from as little remaining of himself as a splinter. He seems dedicated to helping others, especially Rocket and their fellow teammates in the Guardians.

PERSONALITY

Groot is talkative and intelligent, but due to his stiff and inflexible larynx, it appears to others that he can only say "I am Groot." In actuality, those with a trained ear can discern what Groot is saying in the subtle sigh and breeze under the words.

Tony Stark is the adopted son of Maria Stark and weapons manufacturer Howard Stark, founder of Stark Enterprises. He inherited the business when his parents were killed in a car crash, and he transformed it into a global conglomerate worth billions. During an overseas weapons demonstration, a terrorist attack caused an explosion that lodged shrapnel near Stark's heart. After being captured by the terrorists, instead of producing a weapon for them, he built a suit of powered armor in which he escaped.

After returning home, Stark improved his armor and pretended that Iron Man was his personal bodyguard. He decided to use his powers and his amazing fortune for good by co-founding and then funding the Avengers.

Young attorney Jennifer Walters nearly died after being shot by a criminal. A blood transfusion from her cousin Bruce Banner—also known as the Hulk—saved her life, but the gamma-irradiated blood granted her powers similar to those of her cousin. Unlike the Hulk though, Walters can control the transformations into her emerald-skinned alter ego and retains her intelligence.

In the years since, Walters has proven herself a valuable member of the Avengers and a regular substitute member of the Fantastic Four. While she spent some time as a bounty hunter, she regularly returns to the law. Her skills as a sharp litigator with hands-on experience with super-powered people keeps her in high demand.

PERSONALITY

In her regular form, Walters is often an introverted homebody, but when in her She-Hulk form, she is much more extroverted, to the point of aggressiveness. She struggles to balance these two sides of her personality and sometimes prefers to simply remain She-Hulk, who she considers more fun.

Eyes: Brown

Hair: Black, short

Distinguishing Features: None

Occupation: Student

Teams: Champions, Spider-Army, Order of the Web

Base: New York City

HISTORY

Born in an alternate universe (Earth-1610), high-school student Miles Morales was bitten by a genetically modified spider that granted him amazing spiderlike abilities. After witnessing the death of his universe's Spider-Man (Peter Parker), Morales decided to take on the hero's mantle and become the new Spider-Man.

When Morales' universe was destroyed, he managed to escape to the main Marvel Universe (Earth-616), and the Molecule Man integrated Morales' past life and family into his new home, restoring some of them to life. Today, Morales attends the Brooklyn Visions Academy and adventures alongside the original Spider-Man, the Order of the Web (a team of Spider-Man-related heroes), and the Champions (a team of teenaged heroes), as well as establishing himself as a hero all his own.

PERSONALITY

Morales is an excellent student and a loyal friend. He remembers little of his old life on Earth-1610, but he is dedicated to making the most of his second chances on Earth-616 with his family. Weight: 170 lbs.

Hair: Brown, short

Distinguishing Features: None

Occupation: Reporter, inventor, photographer, student

Teams: Avengers, Fantastic Four, Spider-Army

HISTORY

Bitten by a radioactive spider when he was in high school, Peter Parker gained a suite of spider-related powers. He exploited them for profit until he let a robber get away who later shot and killed his Uncle Ben in a botched burglary, driving home the lesson, "with great power there must also come great responsibility." Since then, Parker has dedicated himself to fighting crime and helping those who have less power than him.

Over the years, Parker has been cloned, discovered one of his costumes was an alien symbiote, and learned more about his deep connection to the Spider-Totem. At the same time, he's battled against the most colorful rogues' gallery around. Meanwhile, he's met up with several different variations on Spider-Man hailing from alternate dimensions, including the younger Miles Morales, also known as Spider-Man.

PERSONALITY

Parker is a genius who often lets his sense of responsibility get in the way of taking care of the basics of his life. He's known for his sharp wit and his wisecracking ways, which he often uses to enrage his foes. Despite the problems that often plague his personal life, it's rare that he lets feeling sorry for himself stop him from helping others, especially when he's in costume, webswinging through the city's streets.

She later became a Valkyrie to help shepherd the souls of dead heroes to Valhalla.

PERSONALITY
Foster is smart, capable, and determined, able to stand up to Asgardian gods. Life has not always been kind to her, but she's survived it all and come out more independent and capable than ever.

BIOGRAPHY

Real Name: Thor Odinson

Gender: Male

Height: 6'6"

Weight: 640 lbs.

Eyes: Blue

Hair: Blond, length varies

Distinguishing Features: None

Occupation: God of Thunder, King of Asgard

Teams: Gods of Asgard, Avengers, God Squad

Base: Asgard

HISTORY

As the son of Odin—ruler of the Asgardian gods—Thor was destined for greatness. Raised alongside his adopted brother, Loki—the God of Mischief—Thor had many adventures as a youth. When Odin realized Thor needed to learn humility, he erased Thor's memories and sent him to Earth as medical student Donald Blake. After learning his lesson, he recovered his powers and memories, and served both Asgard and Earth as Thor.

After Thor (and a number of variants) defeated Malekith in the War of the Realms, he became the new All-Father of Asgard. Ruling over his people does not suit the thunder god well as he prefers to be an active hero instead.

PERSONALITY

Thor can be grim when faced with his responsibilities, but he feels most himself when given something he can strike with his enchanted hammer, Mjolnir, preferably a worthy foe. There is little he enjoys more than a drink after a well-fought battle. Despite all his time on Earth—and in America—he still speaks with an Asgardian accent and often in an old-fashioned way.

BIOGRAPHY

Real Name: James Howlett (A.K.A. Logan)
Gender: Male
Height: 5'3"
Weight: 195 lbs. (300 lbs. with adamantium)
Eyes: Blue
Hair: Black, short, thick
Distinguishing Features: Retractable blades, muttonchops
Occupation: Adventurer
Teams: Avengers, Fantastic Four, X-Force, X-Men
Base: Krakoa, Summer House (the Blue Area of the Moon)

HISTORY

Born in Canada in the late 1800s, James Howlett wandered the world under the name Logan. At one point, the Weapon X program captured him and bonded adamantium metal to his entire skeleton, including his retractable claws; his mutant healing factor enabled him to survive the experience. He escaped, but with large gaps in his memory.

Logan later joined the X-Men and became a valued member of various X-teams. Over time, he recovered most of his memories. He was killed in recent years, but returned to life in time to help establish a new mutant nation on the island of Krakoa.

PERSONALITY

Logan can be cold-blooded and slow to trust others, but the restoration of his memory blunted those edges. He's still a no-nonsense man, but that's tempered with the wisdom age brings. After living as a loner for so long, he treasures his found family.

Weight: 185 lbs.
Eyes: Green
Hair: Auburn, wavy
Distinguishing Features: None
Occupation: Industrialist, criminal
Teams: Dark Avengers, Goblin Nation, Sinister Six, Thunderbolts
Base: New York City

HISTORY

From an early age, Norman Osborn had a relentless drive to succeed. Using notes stolen from his business partner, Osborn developed the Goblin formula to give himself superhuman powers. It also transformed Osborn into the Green Goblin—and set him on the road to insanity. He decided to use these powers to establish himself as the criminal leader of New York City. While doing so, he became enemies with Spider-Man (Peter Parker), who he later discovered to be his son Harry's best friend. Although he seems to have died several times, Osborn keeps returning, apparently fated to be a constant thorn in Spider-Man's side.

PERSONALITY

Osborn is a smooth operator, a wealthy, powerful and sharp schemer who is often several steps ahead of his foes. He is often cool and collected—right up until something frustrates his plans, at which point he becomes unhinged.

Occupation: Organized crime, fascists

HISTORY
Hydra has reportedly been around in one form or another since the days of Ancient Egypt, and it's evolved into one of the most dangerous criminal organizations on Earth. The latest incarnation sprang from the ruins of World War II-era Germany and Japan, and various factions of it have wavered back and forth between organized crime and fascist power.

Hydra recruits agents all around the world. In public, they know each other by secret signals and whispers of "Hail Hydra." In secret, they don their green-and-yellow uniforms and chant the Hydra oath: "Hail, Hydra! Immortal Hydra! We shall never be destroyed! Cut off one head, two more shall take its place! We serve none but the Master—as the world shall soon serve us! Hail Hydra!"

PERSONALITY
Agents join Hydra for a number of reasons that usually boil down to money and power. They believe that Hydra can take over any organization or government, and they want to be on the winning side, no matter what they have to do to manage it. The Hydra uniform makes them mostly anonymous, fitting well with their oath to replace one fallen agent with two more just like them.

Real Name: Wilson Fisk

Weight: 450 lbs.

Eyes: Blue

Hair: Bald

Distinguishing Features: None

Occupation: Crime lord, former mayor of New York City

Teams: Power Elite, Fisk Industries

Base: New York City

HISTORY

Born and raised in New York City, Wilson Fisk started on his path to become the Kingpin of Crime at an early age. He developed a skill for uncovering secrets and using them as leverage, while at the same time, he dedicated himself to becoming an astonishing bodybuilder with the strength (and shape) of the most powerful sumo wrestlers.

As Fisk's criminal organization spread throughout New York City, he butted heads several times with both Spider-Man and Daredevil. The only thing that seemed to soften him was his love for his wife Vanessa and their son Richard, both of whom were killed. He has since remarried, this time to Typhoid Mary.

Fisk recently became the mayor of New York City after helping save the city during an alien invasion. He has since divested himself of his criminal enterprises—but not his crooked ways.

PERSONALITY

Fisk can be charming and savvy, but he is also a schemer who is usually in control of most things around him. He's used to being the boss and having his people leap to obey him. When his plans are thwarted though, he can become murderously violent.

Distinguishing Features: Muttonchops, long canines, claws
Occupation: Assassin
Teams: 1959 Avengers, Brotherhood of Evil Mutants, the Hand, Marauders, Team X, X-Factor
Base: Krakoa

HISTORY

Victor Creed's father treated him like an animal as a child, keeping him chained in the basement of their home. Once freed, Creed entered a life of murder and betrayal that caused him to cross paths several times with Wolverine (Logan), often with fatal results for those around them, despite their many similarities.

Magik killed Creed during the War of the Realms, but the mutants of Krakoa eventually brought him back to life. While on a mission for Krakoa, he killed a couple of humans, breaking one of Krakoa's main laws, for which he was sentenced to being imprisoned inside Krakoa for life.

PERSONALITY

Creed is vicious and callous, caring little for anyone but himself. He shows no mercy to those who dare cross his path. He likes to give into his animalistic nature and has never opted to take up any of the chances at redemption offered to him.

Weight: 175 lbs.

Eyes: Hazel

Hair: Bald

Distinguishing Features: None

Occupation: Criminal

Teams: Sinister Six, Sinister Twelve, Savage Six

Base: New York City

HISTORY

Adrian Toomes invented a magnetic harness that allowed the person wearing it to fly and gave them superhuman strength. Frustrated after catching his business partner embezzling from their company, he used his invention to turn to crime, robbing places and then flying away before anyone could catch him. Spider-Man consistently puts a stop to him.

Over the years, Toomes has been put in and broken out of prison several times. He's run casinos and organized crime rings and worked at improving the technology that gives him his powers. He's at his most dangerous when working with others, but he usually prefers to work on his own.

PERSONALITY

Toomes is an old man who's bitter about how his life turned out, and he uses that as an excuse for his criminal behavior. His one soft spot is his granddaughter Tiana Toomes, who uses his technology as the costumed adventurer Starling.
